206 (12mm THK)

205 (12mm THK)

307 (7.5mm THK)

207 (12mm THK)

Distributor:

- The large, concentrated, solid centre panel gives better protection than most other grilles and deters potential break-ins.
- A complete range of patterns and colours to choose from that are powder-coated or anodised to suit your custom-made home decor.
- Rust-free aluminium grilles that provide higher reliability and durability than most hollow or inferior quality grilles.
